REPORT No: 21/2000

YACHT DRAGGING ANCHOR AT NEWTON HAVEN CALLS FOR ASSISTANCE.

DATE: Wednesday 6th September, 2000 TIME: 12.44pm.

LIFEBOATS LAUNCHED: All Weather Lifeboat "Lifetime Care".

Service description :

Tyne Tees Coastguard received a radio message from the yacht "Limershem" that she was dragging her anchor in Newton Haven, with two crew on board. The yacht was in danger of being carried onto rocks by the sea and tide. The All Weather Lifeboat was requested to launch immediately, and go to the yacht's assistance. The yacht was taken in tow by Lifeboat, and brought back to Seahouses, where the yacht and its crew were landed safely.

Ends.
