### Wind Surfers reported in difficulties off Beadnell

DATE: Thursday 22th June, 2000      TIME: 4.30pm.

LIFEBOATS LAUNCHED : Inshore Lifeboat

Service description :

The Seahouses Lifeboat Deputy Launching Authority reported to the Coastguard that two wind surfers appeared to be in difficulty off Beadnell. The Lifeboat Crew were paged immediately and the Inshore Lifeboat was launched and proceeded to Beadnell. Just prior to arrival at the two wind surfers, both males in their twenties, from Matlock in Derbyshire, managed to reach the shore unaided, where they were met by Seahouses Coastguard personnel. Meanwhile the Inshore Lifeboat was recalled, and returned to its station.

Ends.
